Britain's Greatest Horse Racing Events

In the UK, horse racing is rather more than simply a pastime: it is a custom that's steeped in history, and one of the country's most watched and extremely profitable sports. With 60 licensed race courses across Britain and two in Northern Ireland, horse racing trophies are much publicised occasions and the formal gown code anticipated of spectators at these occasions provides to the general ambiance of ceremony. For those who're a complete newcomer to British horse racing cups, here is a fast guide to three you can not miss.

Perhaps probably the most well-known horse racing event in Britain is the Grand National, a three-day occasion held at Aintree Racecourse close to Liverpool each April. The first Grand National is generally believed to have taken place in 1836 (though there may be some debate about this) and right now it is one of the most lucrative National Hunt occasions in the nation, with a prize fund of £950,000 in 2011. Regardless of starting as an area event, the Grand National is now a televised global phenomenon, with an estimated 500 to 600 million viewers across the world.

Another well-known horse racing event is the four-day Cheltenham Gold Cup, which takes place at Cheltenham Racecourse in Gloucestershire yearly in March. The course declares itself as "the house of National Hunt racing" and boasts a scenic location within the Cotswold Hills. Although the Grand National may have a extra illustrious international profile, the Gold Cup is definitely the older occasion, first happening in 1819 earlier than being inaugurated as a jumps race in 1924. The prize fund, however, is around half that of the Grand National.

Nevertheless, whereas the Grand National and the Cheltenham Gold Cup are major fixtures on the British horse racing calendar, the event that usually stirs up the most pleasure in the public and the media is Royal Ascot. Held on the Crown Estate-owned Ascot Racecourse close to Ascot in Berkshire, the event is strongly related to the Royal Household and was based by Queen Anne in 1711. Even at the moment, Queen Elizabeth II attends Royal Ascot in a horse-drawn carriage and a Royal procession happen at the beginning of every race day.

Royal Ascot takes place over five days in June (Tuesday to Saturday) and over £three million is obtainable in prize money. However, whereas the precise horse racing is a vital a part of the event, this is typically overshadowed in the information headlines by Women Day, slated for the Thursday of Royal Ascot week. Ladies Day is dominated by socialites in glamorous outfits and ostentatious hats – however some of them have been known to take it too far, to the point where it virtually seems like they're in fancy dress. That being mentioned, in keeping with the centuries-outdated traditions of British horse-racing, there are strict guidelines governing girls clothes, such at the least length for clothes and no bare shoulders or midriffs.
