The Kansas city chiefs are sound home favorites in NFL betting online as they host the Arizona Cardinals on Sunday. Both teams are arriving from losses but at least the Kansas City Chiefs are still evened up for the lead in their division whilst the Arizona Cardinals are on the brink of collapse. Gamblers at the [online sportsbook](#) are taking the Kansas City Chiefs in this game with their [NFL wager](#).

Chiefs -7.5, total 44 - Kansas City is at home and they're facing an Arizona team that has lost 4 straight. It is no shock to see Kansas City favored by more than a touchdown. The Kansas City Chiefs didn't perform nicely last week as they were defeated by Denver but most people think they are going to recover at home vs a poor Arizona squad. The Kansas City Chiefs have a pretty good running game with Jamaal Charles and Thomas Jones and they ought to find success in this game against a weak Arizona defense. Kansas City's defense is not extraordinary though that isn't a huge anxiety this week since Arizona's offense is not very good in [free online betting](#).

Arizona Troubled - The Cardinals have not won since Week 5. The Arizona Cardinals are basically playing inadequately on the two sides of the ball and aren't considerable playoff competitors. The Arizona Cardinals have chosen Derek Anderson at quarterback and he's capable of hitting some huge plays but he furthermore makes a lot of slips. The Arizona Cardinals have had no running game which genuinely puts the strain on Anderson.

Trends Allow Cardinals an opportunity - Although things appear bad for Arizona in this game they do have some positive trends. They are 4-1 ATS in their last 5 contests in Week 11 plus they are 12-4 ATS in their prior sixteen contests as an underdog. The issue is that they're 2-6 ATS in their past 8 road contests. What helps them though is that Kansas City has been terrible at home. The Kansas City Chiefs are 8-17 ATS in their last 25 home contests. Folks believe that the Kansas City Chiefs are hard at Arrowhead Stadium but the numbers sure don't help that viewpoint. And remember that the Chiefs are 1-9-1 ATS in their previous 11 matches as a favorite. Do you really believe in a Todd Haley squad setting points? Maybe the total is a greater bet in NFL betting online. The Over is 7-1 in the Arizona Cardinals past 8 games total. The Over is 4-1 in the Chiefs previous 5 games in total and the Over is 17-7-2 in the Kansas City Chiefs previous 26 home games.
