Nfl Gambling Lines - Updated Super Bowl Futures

Wild Card weekend Nfl gambling lines are on the board but not to be forgotten are the [Super Bowl odds](#).

With all of the playoff teams set the Super Bowl lines on each squad have been updated. The Patriots are the 2-1 fave in Football odds to win the Super Bowl and New England is a -130 favorite to win the AFC at the online sportsbook. Here is a look at the Super Bowl probabilities and the prospects to win each conference.

Super Bowl Prospects

New England 2-1

Pittsburgh 5-1

Atlanta 5-1

New Orleans 10-1

Philadelphia 11-1

Green Bay 12-1

Baltimore 12-1

Chicago 12-1

Indianapolis 14-1

N.Y. Jets 20-1

Kansas City 35-1

Seattle 100-1

The Patriots are the dominating squad in Nfl betting prospects. Experts have given the Patriots a 31.7 chance of profitable the Super Bowl. The AccuScore simulation has given New England an even higher chance as it puts their chances at 35.5 percent. Only to offer you an idea, that number is almost three times the odds of the Pittsburgh steelers who were next at 13.2 percent. The Seattle Seahawks have odds of 100-1 or more and most experts believe that never in Football history has a squad started the playoffs with such high odds. In fact, the Seahawks had lower Super Bowl probabilities before the year started than they do now. The Pittsburgh steelers rank in at number 2 in the lines at this time, with plus 550 to win it all, they probably won't be able to beat the Patriots, but their strength and consistency this year has ranked them up at a exceptional number 2.

Probabilities to win the AFC

New England -130

Pittsburgh 3-1

Baltimore 7-1

Indianapolis 10-1

N.Y. Jets 11-1

Kansas City 18-1

The New England Patriots are the prominent squad in AFC prospects also. They are the odds-on favorite with merely Pittsburgh given any kind of chance to upset them. The Jets are almost certainly gaining excessive value in AFC probabilities considering they could have to win 3 consecutive road games to arrive at the Super Bowl.

Odds to win the NFC

Atlanta +180

Chicago 3.5-1

New Orleans 4-1

Philadelphia 5-1

Green Bay 5.5-1

Seattle 50-1

The Falcons are the favorite to win the NFC but the prospects are wide open. Other than Seattle, every squad is given a genuine chance of successful the National Football Conference and reaching the Super Bowl. Green Bay would very likely have to win 3 straight road games to attain the major competition however the Packers are receiving lots of support from bettors at prospects of 5.5 to 1.
