NFL Gambling Online - Steelers Favored At Buffalo Bills

The Pittsburgh steelers are road faves in [Football betting internet](#) as they visit the Bills on Sunday. Sportsbook lists the Steelers as the minus six point road faves, with the over under at 43. The Pittsburgh steelers will look to get on track for this match versus the Bills November 28th. The Steelers have been playing poorly since the return of Ben Roethlisberger but they had found means to win despite themselves.

Both teams are arriving off [NFL gambling](#) victories last week as the Steelers pounded the Raiders whereas the Buffalo Bills outscored the Cincinnati Bengals. The line on this match seems a little minimal contemplating the Steelers are 7-3 whilst the Buffalo Bills are 2-8.

Pittsburgh -6, total 42.5 at the [sportsbook](#) - The Pittsburgh steelers are favored on the road in this competition and perhaps the line ought to be a td or more. The Steelers have the better offense and the better defense and it is not as though the Buffalo Bills have a huge home field edge. Yes, Buffalo has played greater this year but they're still not in the class of the Pittsburgh steelers.

Pittsburgh has every one of the obvious NFL betting benefits in this game and should be all set and take the Bills seriously due to Buffalo's success recently. The Pittsburgh steelers had a good rebound a week ago but must demonstrate that they are able to be a steady worth on the board.

Buffalo's Offense - The Bills have been putting points on the board with Ryan Fitzpatrick throwing it and Fred Jackson racing the ball. The Bills have in fact appeared to be a good offense in recent weeks but they're taking a substantial step up this week against the Pittsburgh defense.

Mendenhall Should Have a Substantial Match - Do you know which team in the NFL is the worst against the run? You guessed it, the Buffalo Bills. Pittsburgh running back Rashard Mendenhall should have a fantastic competition for the Pittsburgh steelers on Sunday. Pittsburgh is a good racing squad in any case and they're likely to pound the ball all day long vs the terrible Bills rush defense.

Football Gambling Internet Trends - The Pittsburgh steelers are 3-8 ATS in their last eleven games in Week 12. The Buffalo Bills are 4-0-1 ATS in their previous five competitions in November. The Bills are 3-0-1 ATS in their last 4 contests as an longshot. The Bills are 4-13-1 ATS in their last 18 home competitions and it has not mattered whether or not they are gaining points or not as they're 1-9-1 ATS in their previous 11 games as a home longshot. The crucial trend in this match is that the Steelers are 6-0 in NFL wagering in their previous 6 games versus the Buffalo Bills. If you are going to bet the total then keep in mind that the Over is 4-0 in the Pittsburgh steelers last 4 contests as a road fave but that the Under is 11-5 in the Bills prior sixteen home games. Weather could also be a factor in this match.
