NFL Probabilities - Jaguars Against Titans

[NFL probabilities](#) odds makers have been surprised at the rise of the Jacksonville jaguars as after a slow beginning they've become a division leader with the NFL lines. Football lines worth is plummeting for the Tennessee titans as their season is imploding and they are at risk of not getting back in the post season competition with [the NFL lines](#).

The Titans will host the Jacksonville jaguars on Sunday with a broadcast on CBS that is set to begin at noon ET. The [sports book](#) will have the side and total probabilities on this matchup so make sure and open your account today for all of the action.

Neither team is from the playoff race but a loss on Sunday would be quite damaging. The Tennessee Titans aren't playing well, having lost their last 4 both straight up and against pro football gambling odds.

The Jacksonville jaguars have a record of 6-5 straight up and 7-4 with the NFL wagering prospects which is great for a first place tie with Indianapolis in the AFC South Division. The Jaguars have risen over the total in 9 of their 11 matches this year and in their previous five consecutive games.

Jacksonville is arriving from a 24-20 loss at the Giants although they did get the money as 8 point road dogs.

The loss cut short a three competition winning streak., Jacksonville ranks 19th in pro football for scoring offense and the toughness of their attack is running back Maurice Jones-Drew, who has a squad top 991 yards rushing with a 4.3 yards per carry average and 4 touchdowns.

The defense rates a bad 28th for points allowed which does cause anxiety about the long lasting stability of the Jacksonville Jaguars in their post season run.

The Titans have a record of 5-6 both straight up along with the Football gambling lines as they have lost 4 straight competitions both straight up and against the spread including last week's 20-0 shutout loss at Houston. The Titans are a game behind the Jaguars and Indianapolis in the AFC South.

Starting quarterback Vince Young is now on the IR list due to a thumb injury and former starter Kerry Collins is day-to-day with a calf concern. 3rd stringer Rusty Smith had trouble a week ago with 3 interceptions. Tennessee ranks 30th in pro football for total offense and also 24th for total defense as their year is getting away from them rapidly.

Tennessee has paid out in 4 of their last five home contests with football lines versus Jacksonville with four of those 5 games falling beneath the total.

The Titans defense was on a roll early in the year and they were rated as high as 3rd. The Tennessee titans have been susceptible versus the pass despite a strong pass rush on the front defensive line. Tennessee is permitting over 258 yards per game on average through the air and they are going to be tested on their run defense by Maurice Jones-Drew.
