Super Bowl Gambling - Packers Open As Fave Vs Steelers

Super Bowl XLV will have 2 squads with storied traditions meeting at Cowboys Stadium in Arlington, Texas on Sunday, February sixth.

Bettors that [bet on Super Bowl](#) lines are already wagering on the Packers as they are 2.5 point favorites at the sportsbook.

Green Bay -2.5, total 46

The Green Bay Packers started off as a 1.5 point fave plus they are already up to a 2.5 point pick. Maybe the line will go as high as 3 although it is already hard to understand the logic. Pittsburgh has the leading ranked defense in pro football and they have the players to slow down Aaron Rodgers and the Green Bay offense. The people though is simply deeply in love with Green Bay and they have been right the past three weeks as Green Bay has won and covered on the road at Philadelphia, at Atlanta and at Chicago. So, rather than an long shot from either division reaching the Super Bowl this year, we get to watch two excellent teams struggle it out, even with their not having performed up to their full potentials in their earlier games. And with all the excitement, distractions, and stress that come along with every year's bowl match, can we expect either the Packers or the Pittsburgh steelers to play truly well?

Historical Super Bowl Betting Matchup

The Green Bay Packers and Steelers have been in the Super Bowl a lot of times and the Superbowl title is named after Green Bay coach Vince Lombardi who directed the Green Bay Packers to victories in the 1st 2 Super Bowls. The Green Bay Packers have 3 Super Bowls victories and one loss in their four previous appearances. They won the first two Super Bowls and additionally won Super Bowl XXXI. They lost in Super Bowl XXXII. Pittsburgh has won the Superbowl a record six times and they are going following their seventh. They have simply lost once in their prior 7 appearances. They won 4 Super Bowls in the 1970's and they also won following the 2005 and 2008 seasons.

The Packers are the 10th diverse National Football Conference team to play in the Super Bowl in the previous ten years. The Green Bay Packers are the fourth squad to win 3 consecutive road games and get to the Superbowl. 2 of the previous three won the Super Bowl. The Green Bay Packers are the first number 6 seed from the National Football Conference to make it to the Super Bowl.
