UK Lottery Results Release Days

Are you too interested to play the [UK lottery](#)? Then you may wish to know when the results of the lottery are released. UK's chief lottery franchise is the National Lottery; however there are also several others available. The entire prize amounts that you win through United Kingdom lottery is paid together in one amount and is tax free.

The Lotto is the principal game of [lottery](#) that is played in the country. Its results are released every week, on Wednesday and Saturday. For this game, you are required to select just six numbers, ranging amid 1 and 49. You can also win if no less than three of your numbers, match to the six key numbers picked on, Wednesday and Saturday. In the lottery draw, they also pick a 7th number, which is known as the bonus number. You can be a winner of the bonus number simply if you your numbers match to the rest five numbers.

The every Friday draw is know as the EuroMillions. It is famous in Europe as the chief rolling jackpot [lottery](#) game. This implies that the jackpot simply gets larger and larger till someone comes forward and claims it. In this game, you have to select 5 dissimilar numbers, between 1 and 50, and 2 numbers, between 1 and 9. These numbers are called as your 'Lucky Stars'. In order to get a prize you must match no less than 3 main numbers, 1 main number, and 2 lucky stars; or 2 main numbers and 1 lucky star. If you get all these numbers rightly, then you may even succeed in winning the whole jackpot.

The best part about the Thunderball is that you only have to match two numbers to win. The Thunderball takes place every Wednesday and Saturday and is made out of 6 numbers: 5 main numbers and the Thunderball. You must match the Thunderball and at least one other number to win. If you match all six you win the grand prize of £250,000.

The Lotto HotPicks games are more tailored to how you want them to be. You get to choose how many numbers you play with and the game itself. Numbers can be chosen between 1 and 49, and you will be able to see if you won every Wednesday and Saturday.

The Dream Number lottery game is very famous for its endeavors to collect money for the Olympic and Paralympics games, 2012. This game is a 7 number game, which you may play with either the Lotto or separately. When you singly play the Dream Number lottery game, you are provided with a random number; however you may select a second number randomly, known as the Lucky Dip. All you have to do is match all the numbers in a succession in order to win. The Dream Number lottery results are also declared each Wednesday and Saturday.

The Daily Play is the biggest lottery game that plays Monday through Saturday. You choose seven numbers between 1 and 27 and try to match as many as you can. Four numbers need to match to win a prize, but it doesn't matter what order they are in. If you don't match any numbers you get a free Luck Dip, so you can still end up winning.
