BetMentor - Number #1 Football Tipster

If you have 5 minutes a day, you can follow my tips and ALWAYS win 8 out of 10 bets... its that POWERFUL! Just look at the money I made during the past 3 months...

Dear Future Winner, If you can invest just a few minutes right now, I am willing to showcase you exactly how to extract thousands from the bookies through football betting. This is the most profitable, risk-free football tipster online. What you're about to witness is an incredibly potent service that not only minimises your risk to a near non-existent level... but steadily builds cash to provide a stunning 51% ROI per month.

...if you are like 99% of punters trying to earn a little extra - you've probably discovered that it isn't as easy as it sounds. Have you ever noticed that the harder you try the less money you make?

Buying all these systems, subscribing to various "gurus", reading all the newspapers... it doesn't have to be this hard! Betting is simple... but only if you KNOW what you're doing. Things like match analysis, player form and fitness figures are concepts that most punters are aware of and can be learnt in hours. But there is one aspect that takes real time and effort to develop - EXPERIENCE.

If you are looking for gambling advice, this is NOT for you. I'm here to make you money - no way. If you like the thrill of potentially losing your bet, try blackjack or poker.

Whilst you must lose some of the time, we're talking about a service that roughly loses one bet a week. For the most part, you'll be bored to death knowing you're more than likely going to win.

Well, if you're eager to make a return on your bets and sick and tired of all the B.S out there that rarely works this is exactly what you've been looking for...

No faffing around with betting softwares or e-books as you get your tips delivered via email everyday

I'm an avid punter and inventor of a betting formula that now boasts an 87% strike rate. I started making a tidy income through football betting about 15 years ago.

I started placing bets on football matches at the tender age of 18. After half a dozen years of trial and error, I finally established a method that was making me a neat income on the side.

What I needed was a secure, consistent strike rate of at least 75% so I could risk higher stakes and win bigger amounts of cash in the process. I spent months searching through betting forums - contacting other experienced punters - to exchange ideas and find ways to increase my strike rate. Eventually... it hit me.

...Asian Handicap betting was all I needed to turbo-boost my strike rate and my profits to the next level. It took a little while to get used to this unorthodox way of betting - but once I did -- it was UNBELIEVABLE.

...You simply learn from your mistakes and tweak your...
