From Frivolous Girls to Disciplined Soccer Team

The beginning of soccer season is an exciting time for little girls who want to play soccer. They arrive at the first team meeting with little more than enthusiasm and girlish giggling. A lot must be accomplished to turn the giggling girls into a soccer team. The first decision is a team name. The team name can help to define the spirit and individuality of the team and bring about the beginning of cohesiveness among the new team members. Will they take on the name of an existing team? Pick the name of a strong, predatory animal? Ethnic identifiers aren't acceptable these days. Can you, the coach, lead them in the direction of something unique? The choice of a name will facilitate the next decision. Like the majority of the feminine population, the girls' biggest concern is, "What will I get to wear?" And this feminine concern is understandable. The clich
