Getting Active In The Canary Islands Whenever You Fancy

Lanzarote is situated in the Spanish owned Canary Islands chain and is an especially desirable holiday getaway spot. Thanks to the fact that it features a excellent selection of amazing panoramas to view, a substantial network of perfect beaches and in addition a climate that's the envy of countless alternative European holiday locations.

This also makes Lanzarote a fantastic location for triathletes and sports enthusiasts, quite a few of who flock towards the island in order to compete in the annual Iron Man contest, which happens to be widely widely known as among the list of hardest competitions of its kind across the world.

The Iron Man sporting event takes place on Lanzarote each year in late May and sucks in close to one thousand challengers. Many of these are able to finish the course including a 3km swim, 180 km back-breaking bike ride and a full length marathon inside of 12 hours or so, with all the leading athletes managing to clock in, in around 8 hours or thereabouts. The entire event is so well-known that a lot of holidaymakers plan their holidays and book [villas in Lanzarote](#) to coincide with the event, which is normally held in late May.

Lanzarote on top of that embraces a steady flow of sportsmen and women across the year who will be all keen to take reap the benefits of the warm climate for training reasons. Bikers are usually spotted on the island's roads in packs all year round and the majority of those visitors book private accommodation for instance [villas in Playa Blanca](#) and Puerto del Carmen holiday villas .

Lanzarote presents a lot more than simply sun, sea and sand too. Lanzarote is home to several outstanding natural wonders including the Timanfaya Park, the Valley of one thousand Palms along with the green lagoon at El Golfo. As well as a whole lot of cute little towns and villages to discover and the many masterpieces of a renowned local artisan and designer C
