# Getting The Best Rakeback Deal

So, you are sitting in front of your personal computer investing both your time and money into online poker game. Probably you are the next James Bond or just another losing poker player. In both ways, you need to remember that it is impossible to have the constant winning luck on your side. There is absolutely no matter how good you are playing poker there will be times when the luck just is not going your way. This is the time when it is good to know that even in the case you lose, there is always something back through the good rakeback deal.

Today there are several nice ways that you can use to be sure you are getting the best rakeback deal. You have the opportunity to ask your online casino directly or check out websites that only deal with the rakeback. The best rakeback websites work together with all the top online poker rooms to drive web traffic to those websites while at the same time securing the best possible rakeback deals for their poker players. The charge they receive for signing up you to online poker room is based on the rake you generate on the poker website by playing. Then you receive the majority of this fee back as the rakeback from those poker rakeback websites.

In the case of these websites, you are the main customer. It is only interest to look after primarily, not the poker room's. As a rule, poker rooms take about 5 per cent cut of every pot and it is named "rake". You will see it being taken and stacked at the top of the table when you are playing. With affiliate poker websites the fee they receive for signing you up you to online poker room is based on the rake you are generating while playing. The more reputable poker affiliate website - due to the partnerships they have set up with the selection of the poker rooms - will give you the majority of their commission back, sometimes as much as 60 per cent of the rakeback.

Even in the case a poker player playing as little as 300 pounds a month in rake, such poker player could have as much as 1,800 pounds a year back by signing up to a 30 per cent rakeback deal. In the case you are already playing poker online but without rakeback deal you are losing the chance to get some free money or at least to get back as much of your own money as possible as well as your winnings.

Signing up to a poker room through the affiliate website that offers rakeback means that you could start compensating a great percentage of your rake straight away.
