Great Locations for Riding Holidays

If you have a passion for horse riding, then one great way to further your sense of adventure is to consider [riding holidays](#) abroad.

Riding holidays can be extremely varied in nature, from a quick weekend break to France to trips of a lifetime on an African safari.

To learn more about the types of riding holidays available abroad, this article takes an in depth look at your options..

Riding Holidays: Quick Trips

Riding holidays dont have to involve a lot of expense and a load of jet lag. Some travel companies may offer last minute bargains, so when it comes to booking riding holidays, it may be worth shopping around. Several destinations in Europe offer excellent riding opportunities. Destinations sought out by riding holidaymakers include central Spain, the South of France and Tuscany.

However, if you want to broaden your horizons further and travel further afield, there are also some more unusual European locations where riding holidays are possible. From the Altai mountains in Siberia or excursions around Norways largest glacier and stunning fjord trails.

Global Riding Holidays

For those on the lookout for riding opportunities in more exotic destinations, perhaps the most appealing riding holiday of them all is an African safari riding holiday. Few holidays can match this holiday type in terms of the experience. You will be able to witness wildlife in motion as you continue to improve your riding technique.

And you shouldnt have any concerns that **safari riding holidays** are solely for the experienced rider. Several affordable family deals and beginner courses are available on the travel marketplace just carry out some research and youll never know what amazing adventures might crop up. After a long day of riding, youll even gain an insight into the authentic Safari experience, sleeping in tents along the trail.

The other type of riding holiday that often attracts the tourists is a US ranch holiday. If you want the definitive crash course in Western riding, few riding holidays can match a ranch vacation. And yes, you will feel like John Wayne as you immerse yourself in the challenges offered by the Western style.

Aside from that difficult decision that comes with choosing a holiday location, it is essential to be realistic about your riding ability. Make an honest assessment. If you are a novice rider, youll be wasting your money choosing to go on an advanced course, and the riding demands may prove too much. Therefore its best to browse online or with tour operators for [riding holidays](#) that match your skillset.
