I'm not going to insult your intelligence or resort to silly clichés and ridiculous claims by telling YOU that...

"I Make £500 a week laying horses because I don't." "I Lay horses at £100 a time, because I don't" "By using this system you will be acting the same as a bookie, you wont" "I earn more in a day than we used to make in a week, because I don't"

What I would like to do is show you how to make realistic profits using False-Favourites. Check out the fantastic results my system has produced... RESULTS

Betfair Accredited Trainer Reveals Why...Picking Losing Favourites Consistently Isn't The Walk In The Park So Called Experts Are Claiming...It's Based Around Proven Statistics And Having Access To The Very Best System. The problem is with so much hype and BS around on the internet who can YOU trust enough to part with YOUR hard earned cash, read on and find out

Like me you are probably sick and tired of reading sales adverts for...hyped-up overpriced systems promising to make you life changing sums of money within weeks.

These adverts are aimed at inexperienced punters and are full of ridiculous clichés and empty promises they cannot possibly deliver. They sound great in principle but rarely fill your bank account. In the real world things just aren't like that. Come on lets be realistic how many of you guys actually believe that you can go from a full time job to professional la yer in just a few weeks using the latest miracle system that only takes 10 minutes a day to implement.

These people are total rip-off artists trying to pull the wool over your eyes. Furthermore who can honestly say that that they could afford to lay horses at £100 a time very few I would imagine.

This web advert isn't designed to deceive you, but instead help you gain a better understanding what kind of system you need to make consistent low risk profits from laying horses, after all...

YOU could buy loads of other over priced betting systems and still struggle to find one that creates regular profits from lay betting. Believe me I've already done that for YOU

Over the years I've tested "tons"; and researched a massive amount of information and statistics about racing, all of which has cost me a small fortune. I wouldn't say it's been easy, but definitely the best thing to come out of all this hard work is the fact that I can now see the...

To be honest most punters are their own worst enemies and generally they will bet on any old race, which is definitely the quickest way to the poor house. There is just far too much racing around at present; at least 80% of it should be completely ignored as a betting medium.

Being selective and learning to specialize is essential if you want to succeed and profit long-term from racing.

Most of what you read about...
