'How to Break 80' Book Review

One of the hottest books on the market today for people interested in improving his or her golf game is by Jack Moorehead. Entitled "[How To Break 80](#) and Shoot Like the Pros", this book is loaded with techniques and strategies that will benefit the novice, amateur, and professional golfer. This game involves not only skill and technique, but also determination and perseverance. No matter age or current skill level, everyone can lower scores by signing up for the FREE newsletter and buying the book.

People all around the world are spending thousands of dollars trying to learn real methods of improving their game but without much success. Moorehead understands this frustration, which is why he wrote the book, "How to Break 80." This author is not a professional golfer but an enthusiast along with 60 million other people in the world.

Instead of playing poorly and feeling discouraged, all you need is the information provided in the newsletter and book "How to Break 80 and Shoot Like the Pros". People who have made the small investment are stunned at how quickly they become efficient in the game of golf, rediscovering their love and passion for the game. Typically, individuals that play golf but not well face the same challenges such as:

- * Getting in four games every month but never breaking 80
- * Struggling with many of the basic trajectory measures for playing well
- * Putting up to four times each round
- * Only getting a birdie once in a great while
- * Losing control over the direction of the ball

Do these challenges strike a chord with you? If so, then "How to Break 80" is exactly the book needed to make a significant difference in how well you play golf. When a person plays the game poorly, it is simply no fun, not to mention the high level of frustration. However, once people put the information learned in Moorehead's newsletter and book into action, they realize just how much fun the game is. In fact, most will not only break 80 but many go on to break 70!

People that choose "How to Break 80 and Shoot Like the Pros", there is also a free newsletter. Both are great reads and inspirational for golfer of all skill levels. Learning exciting techniques and strategies for upping your game, your handicap will decrease and soon, you will impress everyone on the golf course. Another great book to compliment "How To Break 80" is "[Simple Golf Swing](#)" written by David Nevogt.

The author has spent years gathering inside information from professional golfers on every continent. This coupled with his knowledge and the mistakes made over 20 years of playing are what give readers the edge. Stop wasting your hard-earned money on professional lessons and purchase the book "How to Break 80 and Shoot Like the Pros". You will discover information never before known and be on your way to shooting the best game of your life.

Moorehead invites people to sign up today for the FREE newsletter and book, and for the low price, everyone will receive a comprehensive guide loaded with his lessons learned and inside tips and techniques that come from true professionals. People will also be given instant access to the entire system and every bonus, as well as a 100%, money back guarantee with no questions asked. With the purchase of "How to Break 80 and Shoot Like the Pros" people also get:

- * Mike Pederson's "Fit to a Tee" book
- * The book, "25 Lessons to Improve your Game Immediately"
- * A special report called "How to Drop Seven Shots in Seven Days"
- * Tracking software for golf performance
- * 100% free upgrade to the system for life

You no longer have to spend tons of money of golf lessons or ever buy another golf book as long as you live. All you need is this one, all-inclusive book that will forever change the way you golf. How to Break 80 and Shoot Like the Pros has helped people all over the world and it can help you too. On the next golf holiday you plan you will be able to use all the skills learned from this book. In addition to the book, Moorehouse welcomes people to visit

his website at www.howtobreak80.com and sign up for the FREE newsletter, delivered weekly.
