[Ricardo Kaka Profile](#). After days connected with speculation, it was discovered yesterday that Kaka authorized a Â£59 million cope with the Real Spain, leaving AC Milan, the club in which gave him a good amount of support. Kaka is leaving behind the club stating that he or she is trying to help them on their own financial difficulties since his transfer possesses beaten the history of Â£46. 7 million in which Real Madrid paid back in 2001 to get Zinedine Zidane.

The transfer was confirmed late on Monday following on from the doctors from Real flew towards camp where Brazils nations team is training for the World Cup qualifier against Paraguay, running a physical plus medical test towards Brazilian player confirming that this player was with good shape plus proceeded to consolidate this transfer.

Kaka rejected a Â£100 million transfer towards Premier League club Chelsea from the outset of the season; in that event he said in which he rejected this deal because he wanted to stay with this AC Milan plus he didnt need to leave them down the middle of the season. Furthermore he was emotionally compromised when using the team and fans who were begging him to keep.

He said that he or she is doing everything to help the club in the financial crisis theyre just having in this moment understanding that even though he didnt need to leave from this AC Milan, he is performing it for a good cause plus that the workforce that Real is looking to build and this football project theyve in mind at this time will be very good for him to maintain his career in the best level.

I can basically say Im an authentic Madrid player. This professional link having AC Milan coatings now, but my sentimental link can never end. Real Madrid intends to develop a great workforce, with historic players just like Raul and Casillas. We are going to make history for a second time, both in Italy and Europe. I guess the game project is very good.

The AC Milan directives and players have already thanked Kaka for all of the six years in which he had spent when using the club, and for all you good things in which he gave towards club, victories integrated. They also wished the most effective for him during this new journey plus thanked him also to the professionalism and dedication that he always had when using the club.

The new president to the Real Madrid, Florentino Perez, has stated that he hopes to build a sound and great team for the reason that one Real had last 2000 when competitors like Zidane, Luis Figo, Ronaldo and Brian Beckham where component of them. The questions says that Perez is managing names including Cristiano Ronaldo, Xabi Alonso, David Villa plus Franck Ribery to complete the new era in the club.

Kaka joined Milan last 2003 and played a really significant role to the team in several tournaments. [Kaka Biography](#). The pub actually launch Kakas job in European sports, and he is quite grateful for in which. The contract in which he signed when using the Real Madrid is perfect for 5 years but will end up inside 2014.
