# **New England Patriots Quarterback Amazing SuperBowl Triumph**

Tom Brady is a distinguished American Football Quarterback who played varsity football at Michigan University and was later drafted in 2000 by the New England Patriots a team in the National Football Conference (NFC) associated with the the NFL. In his professional football career Tom Brady has been able to grab three Super Bowls of 4 finals in which he played and was the then-youngest quarterback winner as he obtained his first Superbowl in NFL 2001 season.

On top of the three Super Bowl rings he owned he furthermore obtained 2 exclusive Super Bowl MVP honours. As an incredibly effective quarterback Brady is found on the 6th place whenever it comes to career passing rating, achieving a remarkable 93.9 rating. In 2005 [New England Patriots Tom Brady](#) was named as Sports Illustrated Sportsman for the year, and is also the holder of countless personal football records. He is the player with all the most touchdown passes in regular season, generating no less than 50 passes in a season, also holding the record for the most completions in one Super Bowl and in the Super Bowl history.

Though in his last Super Bowl winning year season he was for some reason into a cloud of shade, he was a vital player that inspired to another New England Patriots win. Even with important players absent from their squad and the media would not offer a chance for the Patriots voicing that players like Bret Favre and Gary Peyton might demonstrate their class, Tom Brady and his lads obtained the SuperBowl yet again. After the success he was referred by the specialists as the 50 greatest Patriots of all time in acknowledging his efforts and successes.

Tom Brady immortal status for some reason came to a stop when his New England led club lost in Super Bowl XLII in 2008 to the Leaders. Since then more famous quarterback including the Manning siblings of Eli and Peyton together alongside Drew Brees and Aaron Rodgers stole the limelight. Anyhow in 2012 he will make his fifth appearances in the Super Bowl. Though the whole NFL 2011 season might be focusing about a brand-new phenomena happening in the NFL with all the non-stopped issue regarding [American football star Tim Tebow](#), he is quietly acquiring his missed celebrity status.
