Online Free Poker Research Discovers Who Does The Best Free Online Poker Instruction Video

This online free poker [best poker books to read](#) review differs from the previous ones we have done in that it is about an online poker coaching video series rather than a physical paper book.

The top poker books are, well, top, but we know that some or even many have said that being able to see and hear as well as having written back up to fall back to later is the ideal poker learning situation short of an actual 1 to 1 with a top poker pro.

So in this poker training review we're looking at one of the best poker training video series we have been able to find that is suitable for online players who need to learn how to play poker for beginners up to advanced intermediate, so in other words, 95% of players..

After researching the subject of the top poker books and training courses and lessons we have decided that the poker training video series by tournament pro Jonathan Little is one of the finest. In terms of qualification as a poker player Little has won over \$4 million playing tournaments in the last few years which is a pretty good basis - but of course that does not mean he can teach you does it?

Plainly not only can he play, but he is able to also train as this video series is the top selling poker training product we know of.

Courses include:
