# **Party Poker Card Rush Is Back With A Whopping 1.8 Million Prizes**

Never in the history of online poker has a room offered 1.8 million prizes in a single promotion. But that's exactly what Party Poker is doing with their Card Rush XL promotion.

Prizes aren't hard to earn either because every time you get 15 points by playing in poker games at Party Poker, you'll receive a card. When you receive your card you simply logon to your Party Poker account to reveal which prize you have won. Some of the prizes include entries into free poker tournaments, travel prize packages, and of course cash.

As mentioned before, all you have to do is play poker at Party Poker to earn one of the 1.8 million prizes that will be awarded. It's simple really because as you earn points during the Card Rush XL promotion, you will climb up the Card Rush leaderboard. If you end up in one of the top 2,000 spots, you have a possibility of a cash prize; if you finish in one of the top 200 spots, you are guaranteed a cash prize.

For any internet poker player finishing anywhere between 61st and 200th will automatically earn anything between \$100 and \$500 dollars. Any player who finishes from 11th place right through to 60th will receive money between \$1,500 and \$650. Finally, places 4th through 10th will earn between \$6,000 and \$2,000.

If you happen to play the most [online poker](#) hands during Card Rush XL, you could be in line for one of the three travel prize packages. 1st place will earn a \$10,000 prize package to the 2010 Ryder Cup, 2nd place will get a \$10k prize package to the Formula 1 Gran Premio Santander race, and 3rd place will receive a \$10k prize package to the 2010 Major League Baseball World Series.

Card Rush XL will run until all 1.8 million cards have been given away. On top of the cards you can earn during the Card Rush promotion, you can also receive up to 40% return in VIP Loyalty from Party Poker.

If you want to try other games, then there are plenty available for you to choose from. Perhaps you would prefer to have a game of [PokerStars Rakeback](#) or perhaps [Littlewoods Poker](#)? With such a variety of games now available your choice is endless.
