# **Spanish Ace Rafael Nadal At One Time A Dominating Force In The Game Of Tennis**

Rafael Nadal is a well-known formidable tennis player plus usually known for his aggressive, behind the baseline coverage, rapid maneuver plus intense court coverage. He shot to first ranking and dethroned Roger Federer after being 2nd best for along amount of time. For some time he was ruling the tennis ATP tour before the impressive 2011 ATP tour season of Novak Djokovic arrived.

Rafael Nadal Parera was born in Mallorca. Since he was 3 years old Rafa was coached by his uncle Toni Nadal. His 1st tourney win was achieved whilst he was 8 years old and at just fourteen he relocated to Barcelona to continue on his practice at a specialist tennis academy. His first pro ATP match was earned at only 16 when he defeated Ramon Delgado in 2002. Since then he was able to secure a record of 18 ATP World Tour Masters, a gold medal at the 2008 Olympics plus ten Grand Slam individual titles. Also in 2008 he achieved the Prince of Asturias Award for his performances in tennis.

Nadal is named "The King of clay-based and being considered by countless experts as the best possible clay tennis player off time. In fact, all of his triumphs over his close competitor [ATP champion Roger Federer](#) were on clay, leading the head-to-head overall series with 17 to 9. Nadal and Federer are also truly the only set of male to have finished six consecutive calendar years as the best two in the ATP circuit.

He holds the record for being number two in the tennis hierarchy for an amazing 160 consecutive weeks right before he was able to get to be first in 2008. After lasting only not as much as an annum at the peak [Spanish tennis player Rafael Nadal](#) got back to no 1 in the summertime of 2010. At this time he is placed number 2 however with many scared of injury trouble stays lingering around who knows if he will be capable to restore his top position.
