Sports Celeb Kim Clijsters Is Belgian Female Tennis Champ

Kim Clijsters is a first-rate women tennis player who in 2007 stopped playing the sports due to her shoulder injuries. Then again now she is back and she has already displayed her class by securing 3 Grand Slam thus far though the odds were hugely stacked against her since the reappearance. She is largely distinguished for her athletic and quick style of play having a a truly good court wide defense which resembles more of mens tennis style of play.

She holds many records which a lot of them was established after her return in the year 2009. She is the first women to retain the US Open after Serena Williams in 2001. Kim also becomes only the third women to obtain couple of Grand Slams even as a mother. She also claimed couple of awards to be the comeback of the season in tennis. She got close to number one ranking and possess a potential to overtake [Caroline Wozniacki](#) however shocking out of court personal injury kept her from the game for a while.

In her tennis profession thus far she has collected 41 WTA singles and 11 double titles having additionally claimed Grand Slams. Alongside her superb ability she also was able to peak at number one in the WTA ranking.

Outside the tennis court she is a truly open individual, maintaining a tight contact along with her supporters. She has a twitter page where she might sometime post the latest information on her. Like other sports superstars she also has a website which comes with photo gallery of her, information, video clips and blog articles authored for the fans. In her previous blog post [Kim Clijsters](#) said which she is struggling to get ready for the 2012 WTA tour. Although she has a minor foot injury before which kept her outside the court her tough and strenuous physical exercises at the moment permit her to feel like being healthier than in the past.

In any event with all the Olympic games is really around the corner, this year could become the second time she bids goodbye to professional tennis games. Regardless of what the case possibly she is certainly on the lookout for an impressive end to her glorious tennis profession.
