Countries with fantastic warm weather throughout the year have water sports adventures all year long. People in the UK are always looking to go to places where they can enjoy lovely sunny weather along with water sport adventures. A lot of British citizens are always looking to visit a hot place where they can enjoy a bit of sun through [cruises](#), train, plane or driving.

Water sport events are ongoing in countries like Australia and America. NO matter all the extreme water sports winners are either from North or South America or from Australia. Since young age people in Australia and US get to enjoy water sports activities so it is like their daily routine but for people in UK it can be some peoples dream holiday. Below I have listed the places where you can enjoy stunning water sport adventures.

Hawaiin Islands are one of the stunning places in the World and its always hot there. From January till December the temperature is similar so you can enjoy water sports any time. Maui island of Hawaii is one of the cheapest holiday destination. In Maui you will be able to enjoy surfing, paddle boarding, sailing, snorkelling and kayaking.

America is definitely one of the countries which hold several places to enjoy Water sports. California, Massachusetts and Florida all have wonderful beaches and sea life centres that host water sports. Speedboat, wind surfing, kayaking and sailing all are available in these states. The weather is also warm and mild in California and Florida all year long.

South America holds couple of countries where you can enjoy water sports such as Puerto Rico and Cuba. There are other South American countries that have amazing beaches that host water sports but Puerto Rico and Cuba are definitely in my top two. Travel to these destinations through [MSC cruises](#) and [Windstar cruises](#) you will enjoy it.
