# **Winning spread betting strategies: How to make money in the medium term in up, down and sideways markets: Trading Techniques for Active Investors**

From the author of the best seller 'The Financial Spread Betting Handbook' comes a book about constructing winning spread betting strategies. Seven strategies are presented covering all types of market; up, down and sideways. Key ingredients for each strategy include overall market direction, entry and exit techniques and bet size determination. The strategies are used on a wide range of instruments including stocks, commodities and currencies, and trade duration tends to be in weeks. Examples of each strategy are fully illustrated with charts and commentary - there are over 150 charts in this book, taking the reader step by step through strategy implementation.
